What it does: Provides a variety of inspection services for construction and insurance companies related to water and wind mitigation and catastrophic responses.

Why it's growing: After the 2005 Atlantic hurricane season hit Florida hard, SkyeTec was already at a high proficiency level to deal with the disaster.

What's noteworthy: After business partners Chris Uhland and Ted Nelson spent thousands trying to come up with a company name, they eventually just settled on the name of Nelson's daughter, Skye.
